JOSHUA JONATHAN WILLIAMS

A dedicated and motivated computer science graduate seeking a software developer position for web and software applications. Undertaken experience to develop competent communication, teamwork and general IT skills.

EXPERIENCE

2015
GENERAL IT & DATA ENTRY
L&H Electrical
Wangara

Assisted with the entry of data from sales invoices into Microsoft Excel spreadsheets. Helped with the installation and troubleshooting of business software and answering any computer related queries from colleagues.

2013
NIGHT FILL TEAM MEMBER
Woolworths
Whitfords

Responsible for ensuring stock was properly facing, ordered and within the valid expiry period. Returned stock to shelves and assisted with restocking products as needed. Obeyed the basic visual merchandising standards taught in my training at all times.

2011 - 2012
CUSTOMER SERVICE
Myer
Karrinyup

Assisted customers by answering and resolving any queries they had. Ensured accuracy when handling money and answering phone calls. Other duties included tidying the premises and the completion of end of day procedures.

EDUCATION

Graduation   2015
EDITH COWAN UNIVERSITY

Bachelor of Computer Science
Major in Software Engineering and Computer Science

Graduation   2008
SACRED HEART COLLEGE

WACE Certificate
Applicable Maths, Physics, English, Chemistry, Engineering Studies
